CONCEPT OF **WEBPAGE**

This project is generally based on sports. As we all know that sports is very much essential for our lives to keep us entertaining everyday. So with this purpose, I make this webpage by considering the needs of people. Basically, In this website, I used to make customers handy.

On this website, you can simply join any sports for training and also it includes the latest information of sports, such as you can directly watch the live score of any sports. Also, you can keep an eye on the match dates that are going to be played.

Also, you can login to the website to never miss any updates regarding sports.
